Social Media Assistant

Stripe Paris, France Full-Time

Apply

## Description

Stripe is looking for Social Media Marketing expert to help manage our online networks. You will be responsible for monitoring our social media channels, creating content, finding effective ways to engage the community and incentivize others to engage on our channels.

## Responsibilities

- Community engagement to ensure that is supported and actively represented online
- Focus on social media content development and publication
- Marketing and strategy support
- Stay on top of trends on social media platforms, and suggest content ideas to the team
- Engage with online communities

## Who You Are

- You get energy from people and building the ideal work environment
- You have a sense for beautiful spaces and office experiences
- You are a confident office manager, ready for added responsibilities
- You're detail-oriented and creative
- You're a growth marketer and know how to run campaigns

## Nice-To-Haves

- Fluent in English
- Project management skills
- Copy editing skills

# Perks & Benefits

This job comes with several perks and benefits

## Full Healthcare

We believe in thriving communities and that starts with our team being happy and healthy.

## Unlimited Vacation

We believe you should have a flexible schedule that makes space for family, wellness, and fun.

## Skill Development

We believe in always learning and leveling up our skills. Whether it's a conference or online course.

## Team Support

Every 6 months we have a summit where we reflect, celebrate, and plan for the future.

## Remote Working

You know how you perform your best. Work from home, coffee shop or anywhere when you feel like it.

## Commuter Benefits

We're grateful for all the time and energy each team member puts into getting to work every day.

## We give back.

We anonymously match any donation our employees make (up to \$/€ 600) so they can support the organizations they care about most—times two.

## JobFinder

Great platform for the job seeker that is passionate about startups. Find your dream job easier.
